

# YOU NEED IT. WE HAVE IT.

When you have a job to do, your equipment needs to work at its peak. We get it. For over 50 years, we've been helping all types of companies in a wide range of industries with their fluid power needs. Whether it's just components, one of our many services, or a complete new system, we do whatever it takes to deliver a solution that exceeds expectations.

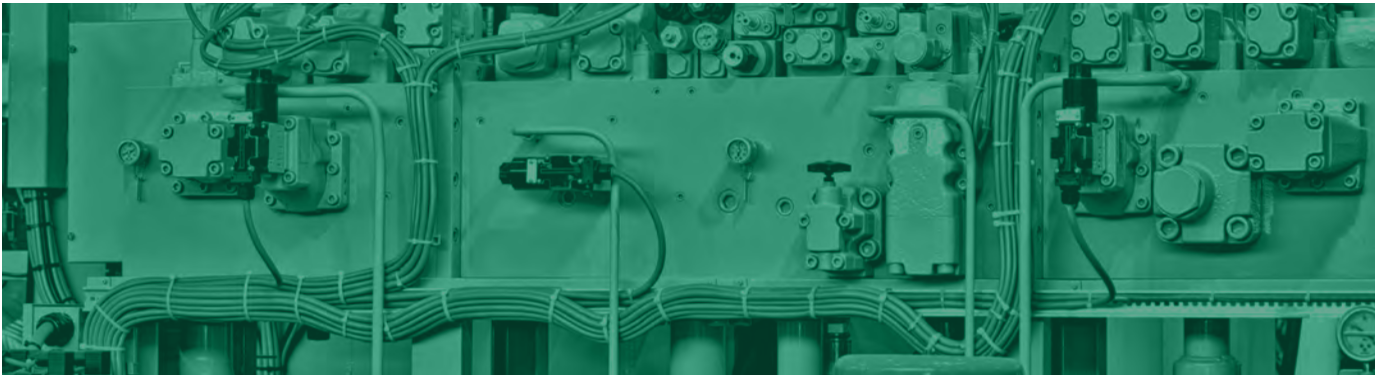

Our Fluid Power Business Unit is dedicated to help you optimize all your fluid power and motion control technologies. We understand time is money and the need to fix it right and fix it quick! This is why we offer the following resources:

**DISTRIBUTION CENTER** // Supply sourcing and inventory management services for products from leading vendors, including Parker Hannifin, Clippard, Bijur, and many others.

**PARTS AND SERVICE CENTER** // Immediate access to locally stocked products, hose assemblies while you wait, equipment rental, and special featured products.

**TECHNOLOGY CENTER** // Comprehensive engineering services for design, build, install, and maintain your Fluid Power and Motion Control technology.

**SERVICE AND REPAIR SOLUTIONS** // Single source for repairs/rebuilds from our Hydraulic and Pneumatic experts, covering any brand of Mobile or Industrial hydraulic and/or pneumatic components & systems.

**FLUID POWER**

## WE BRING IT ALL TOGETHER.

At Kundinger, we design, engineer, and craft systems that create efficiency for your operation. We believe in building lasting relationships with our customers so we can help them take advantage of new technology and stay ahead of their competition. It's what we like to call the Kundinger Difference. **Do you have a partner in your success?**
